- 2.25 **Lemon & ginger**
- 2.25 **Red berries**
- 2.50 **Argentinian Mate**
- Traditional mate (Che Guevara style).**

#### Mate

Like the British, Argies love a cup of tea, only in their case a cuppa means **Mate** – a bitter beverage prepared with hot but not boiling water, drunk with a metal straw called a bombilla from a gourd-like bowl. The flavour is reminiscent of green tea but it's in fact made from the leaves of a plant that's a member of the holly family.
